

Sydney Airport

I caught 9.00 flight to Sydney arriving 10.30 am.

Come out of Customs and walk to the end of the terminal (you will see train sign) until you reach McDonalds

Look for **AIRPORT LINK** sign.

The screenshot shows the Sydney's Airport Train website. The header features the 'Catch AirportLink' logo and a map of the train route from Sydney Airport to various city stations. The route includes International Airport Station, Domestic Airport Station, Mascot Station, Green Square Station, Central Station, Museum Station, St. James Station, and Martin Place Station. A '15 min to City' badge is shown near the city center. The navigation bar includes links for Home, Maps, Trip Info, Opal Cards, Company, and Contact. Below the navigation bar, there are three main sections: 'Next Trains' with a travel details form and departure times (11:44 AM, 11:50 AM, 11:59 AM), 'Quick Directions' with a list of destinations (Sydney City, Barangaroo, Blacktown, Bondi Beach, Campbelltown, Chatswood, Darling Harbour, Gosford, Hornsby, Kings Cross, Liverpool, Manly, North Sydney, Olympic Park, Parramatta, St Leonards, Wollongong), and 'Announcements' with a message: 'No service interruptions or announcements.' The website also features a 'Video' section with links to 'Airport Link and Opal Card', 'Catching Airport Link at International', and 'Catching Airport Link at Domestic'. The footer includes a Windows taskbar with various application icons and a system clock showing 1:37 p.m. on 9/02/2017.

Go down escalators and purchase an **OPAL** card from the ticket office. This will get you on all transport (trains – buses – ferries) in Sydney

Tell the ticket man you want to go to **BLACKTOWN** and return to Sydney (I put \$40.00 on my pass)

Get off the train at the 4th stop **CENTRAL STATION**.

Go down the steps from your platform turn left and look for PLATFORM 18 (western suburbs line)

Board the train to **BLACKTOWN** – (the train with last stop EMU PLAINS). You can see all the stops on the way to **BLACKTOWN**.

When you get to **BLACKTOWN** turn left to exit station down some steps (the steps that run parallel to the rail tracks) and head down **MAIN STREET** keep walking past shops until you get to **CAMPBELL STREET** (3 mins walk from Station). Turn right into **CAMPBELL STREET** and walk 50 metres. Turn left into **COLO LANE**. **WESTERN IMAGING** is just a few metres up on the left.
